

DEPARTMENT OF VOLUNTEER AND STUDENT SERVICES

Please read carefully before filling out application!

Dear Prospective Volunteer and/or Student:

Thank you for your interest in volunteering and/or completing your internship/clinical rotation at Maimonides Medical Center. Please complete and return the enclosed application and questionnaire. We will call you to schedule an interview when it appears likely that appropriate placements will be available. Due to the large volume of applicants, we cannot guarantee volunteer placement in your preferred area at any given time.

When filling out the forms, please print legibly. On the application card, complete the front side only. Under "**Personal References**," please supply **the full mailing address and phone number of two people** to whom we can mail a brief reference form. These should not be family members, but others who know you as a friend, neighbor, teacher, co-worker, etc. Under "**Employment**," check the box that most accurately reflects your primary status. Under "**Languages Spoken**," list only those in which you are fluent. Under "**Education**," give the highest level you have completed, e.g. high school graduate, two years of college, certificate program, etc. If you are currently a student, give the school and the grade you are in now.

Prior to beginning volunteer service or internship/clinical rotation, volunteers and students must be scheduled for an **interview**, have a criminal background check completed (if 18 years old and over), and attend a mandatory **orientation** that is conducted by the Department of Volunteer and Student Services.

All volunteers and students will require medical clearance prior their start date. **Medical forms are required to be completed by the applicant's private physician upon acceptance to the program.** Completed medical forms will be submitted to Employee Health Services and clearance may take five to ten business days.

Although most volunteers serve more, the minimum time commitment is two four-hour shifts per week. Volunteers interested in the Interpreter or Companion program must commit to a minimum of a one eight-hour shift per week. We consider consistency more important than quantity of hours. We are coordinating the schedules of many volunteers; therefore, we must be able to depend on your attendance.

For those whose ultimate goal is to seek employment, please be aware that, while it can be a valuable experience, **volunteer service at the hospital does not lead to paid employment at Maimonides Medical Center.** We are happy to provide references for volunteers whose service has been satisfactory, and **we require at least 150 hours of service** before we can do a letter of recommendation. Of course, we hope that you will serve far more than 150 hours and join the ranks of dedicated volunteers who remain with us for many years.

As individuals, our volunteers have varied skills, interests and preferences, which we try to accommodate. Our primary goal is to meet the needs of the patients who depend on the hospital for their well-being. As a volunteer, your greatest satisfaction will come from knowing that you are helping others in the community.
